AT NOTE FOR:

FROM: Don I. Wortman
Deputy Director for Administration

1. Re our July 24 lunch, I've put down some suggestions--attached--for our second year PMI agenda. We can develop this further as a menu to trigger discussion with the cluster members when we meet in August.

2. We ought to assess our losses through transfer and non-attendance and see if we want to volunteer to take on some new cluster members if this would be of help to OPM.
